3. PROGRESS DURING THE PERIOD, TOGETHER WITH RECEIPTS AND PAYMENTS MADE

Attached at Appendix A is a copy of our Receipts and Payments Account for the period under review, from 18 December 2021 to 17 December 2022, together with a cumulative total of the transactions made in this matter. I have reconciled the account against the financial records that I am required to maintain.

All figures detailed in the Receipts and Payments account are shown net of VAT.

The balance of funds are held in an interest bearing estate bank account.

The progress and movement on the Account is explained as follows:

Asset Realisations

No receipts or payments have been made during the period under review.

Costs of Realisations

To date, the following professional agents have been engaged by us to provide the appropriate assistance.

Item of Expense	Initial Estimate of Costs (excluding VAT) £	Costs Incurred During the Period Under Review (excluding VAT) £	Costs Incurred to Date (excluding VAT) £
Solicitor Costs – Freeths LLP <ul style="list-style-type: none"> to assist with any other legal matters in relation to the company's affairs and/or Liquidator(s) investigations. 	2,190.29	1,535.25	2,351.29

The choice of professionals was based on my perception of their experience and ability to perform this type of work and the complexity and nature of the assignment. I also considered that the basis on which they will charge their fees represented value for money. I have reviewed the charges they have made, and I am satisfied that they are reasonable in the circumstances of this case.

Creditors are aware that I previously reported that all legal matters had been concluded, and as such, no further costs were anticipated. It is noted however that additional costs of £161 have now been reported. These costs were incurred in the final review and closure of the legal files opened in this respect.

I can confirm that since the period under review, legal costs of £45 have been discharged.

No further legal costs are now anticipated.

The above expenses are Category 1 expenses. It is noted that no Solicitor costs have been paid during the period under review.

Freeths LLP are not connected and do not have any conflict in acting, as Solicitors, in this matter.

4. REMUNERATION AND EXPENSES

Joint Liquidators' Remuneration and Expenses

Remuneration

A hard copy of both documents can be obtained on request from this office.

Joint Liquidators' Expenses

Expenses are any payments from the Estate which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Expenses are split into:

- Category 1 expenses, which are payments to persons providing the service to which the expense relates who are not an associate of the office holder; and
- Category 2 expenses, which are payments to associates or which have an element of shared costs. Before being paid category 2 expenses require approval in the same manner as an office holder's remuneration.

A detailed explanation of Category 1 and Category 2 expenses, together with the approved rates for Category 2 expenses, is set out in Appendix B.

Category 1 expenses are those that are directly attributable to a third party invoice.

Category 1 expenses incurred in the period under review, together with those incurred to date, are set out in the table below.

Type Of Expense	Provider	Incurred During The Period Under Review (£)	Paid To Date (£)	Total Amount Outstanding (£)
Statutory Advertising	Courts Advertising	0.00	0.00	150.10
Bordereau	Marsh Limited	0.00	0.00	30.00
Postage	Clarke Bell Limited	0.00	0.00	6.10

To date, Category 1 expenses had not been discharged.

I can confirm that since the period under review, the amounts of £150.10, £30.00 and £6.10 have been discharged in relation to Statutory Advertising, Bordereau and Postage respectively.

Category 2 expenses are those that are based upon an estimate or an internally set rate.

To date, no approval to enable us to draw Category 2 expenses has been sought.

APPENDIX B

JOINT LIQUIDATORS' EXPENSES POLICY

Category 1 & Category 2 Expenses

Expenses are categorised as either Category 1 or Category 2.

Category 1

Category 1 expenses are clearly identifiable third party costs that are directly attributable to the case. Occasionally these expenses are paid by Clarke Bell Limited and then recharged to the case, usually when there are insufficient funds within the case to pay the expenses at the time it falls due. Specific approval from creditors is not required for Category 1 expenses.

Typical examples of Category 1 expenses are:

- Postage
- Advertising
- Insurance
- Travel costs
- External room hire

Category 2

Category 2 expenses are estimated or shared costs which may include some internal recharges from Clarke Bell Limited. It is likely that it is not possible, or too costly, to calculate the exact cost and an estimate is therefore used. These expenses can be paid from the case if the basis of the charge has been approved by creditors.

Typical examples of Category 2 expenses are:

- Photocopying
- Mileage
- Storage
- Agent costs where the Agent is deemed as an associate

The current levels of Category 2 expenses recovered by Clarke Bell Limited are as follows:

Photocopying at £0.15 per copy.
Mileage at £0.45 per mile.
Storage and destruction of records at £17 per box of records, per annum.
